Dolomites Bike Day Regulation

Some rules for a smooth and happy bike day

The Dolomites Bike Day is above all a bicycle festival, open to all cycling enthusiasts of all sexes and of all ages. However, to ensure a relaxed and joyful bike day, there are some important rules to follow.

1. What is the "Dolomites Bike Day"?

The Dolomites Bike Day is a **NON-competitive cycling event** open to everyone which takes place on roads closed to traffic, in compliance with the general traffic rules.

2. Road traffic regulations | Environment

The entire event takes place in accordance with the existing road traffic regulations, so to assure the safety of all participants. All participants are also obliged to respect and save the environment.

3. Road closure | Cycling direction

The roads are closed to motorized traffic **from 8,30 am to 2,30 pm**. The closure is planned for half an hour before the opening to cyclists, allowing any traffic on the passes to reach its destination. The organizing committee, does not guarantee absolute absence of traffic on the route.

**It is recommended to ride the selected route counterclockwise
and on the right side of the road.**

4. Safety | Use of helmet

Bearing in mind that you are riding on steep pass roads and that you can reach high speeds, you should **always keep to the right, only use the right-hand lane** and maintain a moderate speed during descent. Consider that there are families with children and less experienced cyclists riding on the roads of the Dolomites Bike Day, so be careful and respectful.

For safety reasons, **protective helmets are obligatory**.

5. Authorized vehicles

The only vehicles which are allowed to drive along the closed streets during the road block from 8.30am to 2,30 pm are those of the public security service (carabinieri, police, hospital, fire brigade, civil protection and all vehicles with special permission), they will have sirens and warning lights. The vehicles of the organization are also permitted, they will have a flashing yellow light.

6. Starting times | Registration

Considering that the Dolomites Bike Day is not a race, but an event without competition characteristics, there is no exact start time. Anyone can start along the route when and where he wants.

Important: The event officially starts at 8,30am. Before this time, there may still be cars or motorcycles along the pass roads; the passes will be open to traffic again at 2,30pm. The Dolomites Bike Day is a non-competitive cycling event, it is free of charge and open to every bicycle lover. **No registration or cycling club membership is required.**

7. Public busses to the passes

On the occasion of the Dolomites Bike Day the bus service to the Dolomites passes Campolongo, Pordoi, Fedaia, Falzarego and Valparola will be suspended.

8. Responsibility

The organizing committee of the Dolomites Bike Day cannot be held responsible for any accidents or damages to persons or property that may occur before, during and after the event. Participation in the Dolomites Bike Day is at your own risk. Participants relinquish to any legal claim against third parties, against the organization and against all natural and legal persons involved in the organization of the event. All participants are obliged to observe the road traffic regulations.

9. Rescue Service | Technical service | Broom wagon

A first aid and rescue service is guaranteed along the entire route. A technical bike service is provided. The technical assistance services required are charged to the users who will use them.

At the end of the event, all participants who cannot make it up the passes will be collected and helped on their way home.
